

Links to webinars and other Nature based educational materials

Thanks to Colleen Cirillo for this compilation

OFFERINGS for ADULTS:

CWF has done some great webinars this year so far, often related to pollinators. I don't see the list of upcoming ones, but I'm sure they will be posted soon.

<https://cwf-fcf.org/en/explore/education/education-calendar.html>

North American Invasive Species Management Association webinars for adults:

<https://www.naisma.org/programs/professional-development/webinars/>

(using GoTo Webinar)

TRCA webinar "Gardening in a Changing Climate" is scheduled for April 2, 7 - 9 pm

Contact is Stephanie Parish (stephanie@trca.on.ca)

Susan Poizner is a true online learning pro. Check out her offerings at Orchard People:

<https://learn.orchardpeople.com/>

OFFERINGS for CHILDREN - I know this is not our target audience, but sending in case some of you (Jode?) also interested in these:

CWF webinars for school kids:

<https://cwf->

[fcf.org/en/resources/events/?event_type=webinar&dateType=event_date&startDate=&endDate=](https://cwf-fcf.org/en/resources/events/?event_type=webinar&dateType=event_date&startDate=&endDate=)

CWF lesson plans:

<https://cwf-fcf.org/en/resources/for-educators/lesson-plans/>

LSF at-home resources for teachers and parents:

<http://lsf-lst.ca/>

ecoSchools lesson plans:

<https://ecoschools.ca/school-resources/lesson-plans/>

Green Teacher

Additional items:

Charity Village offers monthly webinars, not nature education related, but done so well:

<https://charityvillage.com/learning-centre/webinars/>

Also - this list of webinar software options might be helpful: <https://www.codeinwp.com/blog/best-webinar-software/>

On a separate note - the 3rd edition of Grow Me Instead is finally available online. Here is the link: <https://www.ontarioinvasiveplants.ca/resources/grow-me-instead/>
